

Around the Clock

Players: Two

Darts: Three each

Rules:

The object of this game is to be the first player to hit every number on the board from 1-20. The numbers must be hit in order (hit 1, then hit 2, then hit 3 and so on), and players alternate after three throws. If a player cannot pass a certain number, he must hit in on his next turn in order to advance to the next number on the board.

Single Player Practice:

Hit every number on the board from 1-20. The numbers must be hit in order (hit 1, hit 2, hit 3, and so on). Record how many turns it takes you (at 3 darts a turn).

Try to do the same again, in less turns.
